EDTEC

EdTec is a social enterprise committed to improving public education by supporting charter schools with business, operations, and performance services. Our mission is to drive quality in the charter school movement by providing the people, expertise, and systems that equip school leadership with operational support, business insights, and performance analyses to promote effective decision-making. EdTec provides a comprehensive range of services in the areas of charter petition development, back-office services, school data and compliance, school software, and consulting services. With offices in both Northern and Southern California, the EdTec team delivers its proactive, forward-looking support model to its school partners throughout the state.
