

YM&C BOARD MEMBER TRAINING
2018 EVENING WORKSHOP SERIES

BROWN ACT & CONFLICT OF INTEREST LAWS

Calling all board members!

YM&C is offering a two-hour training in the evening for charter school board members and administrators to ensure compliance with critical public transparency laws, such as the Brown Act, Political Reform Act, and other conflict of interest laws.

This preventive workshop is critical to avoiding legal liability, threats of revocation and non-renewal, and in some cases, criminal investigations.

The training will include real-life examples of common pitfalls that charter school board members and administrators face, and the speakers will provide pragmatic guidance, including best practices.
